

# Zero Gravity

Kerli

Feels like coming home  
After traveling a million miles  
I am not alone  
Searching for the starlight in the darkest skies

A complex surface  
Laid out right before our eyes  
Everything makes sense  
Now that you are by my side

I'm as light as I can be  
You got me feeling weightless  
You take me on an odyssey  
You got me feeling weightless

You make me float free  
My love for you is endless  
No ties are binding me  
Oh onto zero gravity

Now onto zero gravity  
Oh onto zero gravity

All the pain in me  
No more needs to be expressed  
Feels like I can breathe  
You lift a burden off my chest

Traces of sadness  
No more chaining me to the ground  
I am limitless  
Ever since you came around

I'm as light as I can be  
You got me feeling weightless  
You take me on an odyssey  
You got me feeling weightless

You make me float free  
My love for you is endless  
No ties are binding me  
Oh onto zero gravity

Now onto zero gravity  
Oh onto zero gravity  
Now onto zero gravity  
Oh onto zero gravity

I'm as light as I can be  
You got me feeling weightless  
You take me on an odyssey  
You got me feeling weightless
