

## Cat Vs. Dog

Kero Kero Bonito

Dog v. cat

You're canine trash

There's nothing I like more than a mutt getting whacked

With my baseball bat, how'd you like that?

That'll stop you barking, startling me in the morning

What's your problem, dog?

Cat got your tongue in the vice 'til the blood comes?

Hope your owner comes running cause he's lonesome

Bark any louder, I'll kill him for fun

Cat v. dog

It's all kicking off

I wanna murder moggies all around the world

I'll bite you in the head, 'til you're dead

Brains everywhere, but I won't care

I'll be hanging with my bitches enjoying the riches

Of a multi-sensory life

Man's best friend is a dog, not a feline

Homosapiens got one thing right

Eternal hatred
