

Boundless

Kerrie Roberts

Any mountain in our way
Can be removed by Your name
A mustard seed, the smallest faith
That's all it takes
That's all it takes

Any words that break us down
Any darkness tries to take us out
You're greater than the strongest doubt
You know no bounds
You know no bounds

There's no shore to the ocean of Your love
No ceiling or floor to the power of Your blood
You are boundless
You're boundless

No disease that You cannot heal
No force stronger than Your will
No mystery You can't reveal
You're more than real
You're more than real

There's no depth that You cannot reach
No raging war stronger than Your peace
No enemy You can't defeat
You're all we need
You're all we need

There's no shore to the ocean of Your love
No ceiling or floor to the power of Your blood
You are boundless
You're boundless

There's no wall that Your mercy cannot break
There's no heart that Your hands can't shape
You are boundless
You're boundless

You're endless
Measureless
Limitless
In all Your ways

You're endless
Measureless
Limitless
And we're amazed

There's no shore to the ocean of Your love
No ceiling or floor to the power of Your blood
You are boundless
You're boundless

There's no wall that Your mercy cannot break
There's no heart that Your hands can't shape
You are boundless

You're boundless

You're endless
Measureless
Limitless
In all Your ways

You're endless
Measureless
Limitless
And we're amazed
