

Boy Crazy.

Ke\$ha

I'm boy crazy, I'm boy crazy
Crazy boy, I'm so boy crazy

Berlin to Bombay, New York to LA
Tokyo to Tahoe, boys are my cocaine
Bikers and the dumb bros, daddies and the gym hoes
Prowling like a kitty cat, I want to get you all alone
Want to get you all alone
Motherfucker, check your phone
Berlin to Bombay, New York to LA
Tokyo to Tahoe (Let's party)

I'm obsessive, I'm fixating
I want all the boys lately
Fly me out and entertain me
Oh, oh, I'm boy crazy
I'm excessive, my heart's racing
I want (Woo) all the boys lately
You're my fix and you're my craving
Oh, oh, I'm boy crazy

Gimme, gimme, gimme all the boys
Gimme, gimme, gimme all the boys (Woah-woah)
Gimme, gimme, gimme all the boys (Woah-woah)
Gimme, gimme, gimme all the boys

I've been a good girl, now I'm a connoisseur
Many men are on the menu (Eat 'em up like amuse-bouche)
Boys better beware, I'm on a men-der
Driving ninety, they been tryna get me in my underwear
Get me in my underwear
Motherfucker, pull my hair
Boys better beware, boys better beware
Boys better beware (Let's party)

I'm obsessive, I'm fixating
I want all the boys lately
Fly me out and entertain me
Oh, oh, I'm boy crazy
I'm excessive, my heart's racing
I want (Woo) all the boys lately
You're my fixin', you're my craving
Oh, oh, I'm boy crazy

Twenty-four hours in a day
I don't got a single one to waste (Woah-woah)
Gimme, gimme, gimme all the boys (Woah-woah)
Gimme, gimme, gimme all the boys
I just need a little love tonight
I can't help it, baby, I'm on fire (Woah-woah)
Gimme, gimme, gimme all the boys (Woah-woah)
Gimme, gimme, gimme all the boys
