

## D.U.I.

Ke\$ha

D.U., D.U.I.  
Uh oh, uh oh  
D.U., D.U.I.  
Uh oh, uh oh

Dressed up in nothing  
Holiday glitz  
You land in Hollywood  
It's such a trip  
Yeah, you inspire me  
My curiosity  
I'm feeling tipsy  
I need to stop and sober up  
Dancing under the influence of you  
Yes, I'm ticked  
So what?  
'Cause it feels good

You, you, you intoxicate me  
You, you, you, you cloud my mind like a dirty martini  
Spinning me around and round and round  
Loving you is like D.U.I.-I.  
Loving you is like D.U.I.-I.  
Loving you is like D.U.I.-I.  
D.-D.-U.-U.-I.-I.-I.-I.  
Oh, oh, oh, oh, oh

I see lots of snacks here  
I need a meal  
Ooh baby, feed me  
I'm hungry from all this gyration  
I'm losing patience  
I'm feeling tipsy  
I need to stop and sober up  
Dancing under the influence of you  
Yes, I'm ticked  
So what?  
'Cause it feels good

You, you, you got me loaded  
You, you, you, you light me up like cherry brandy exploding  
Never get enough (no, no, no)  
Loving you is like D.U.I.-I.  
Loving you is like  
Loving you is like  
Loving you is like D.U.I.-I.  
D.-D.-U.-U.-I.-I.-I.-I.  
Oh, oh, oh, oh, oh

Oh, oh  
Guess I tied one on too tight  
Gonna pay for it tonight  
(Gonna pay tonight)

You, you, you intoxicate me  
You, you, you, you cloud my mind like a dirty martini  
Spinning me around and round and round

(Round and round)  
D.U.I.  
(Loving you is like)  
D.U.I.  
(Loving you is like)  
D.U.I.  
Loving you is like D.U.I.-I.  
(Loving you is like)  
Loving you is like D.U.I.-I.  
(Loving you is like)  
Loving you is like D.U.I.-I.  
(Spinning me around and round and round)  
D.-D.-U.-U.-I.-I.-I.-I.  
Oh, oh, oh, oh, oh  
(D.U.I.)
