

GLOW.

Ke\$ha

(Goddamn)

You're just not the man I wanted you to be (Goddamn)
On your way out, make sure that you drop the keys (Woo)
To my fucking nice house that I bought all by myself
That you have been living in, every day you talking shit
You ain't even paying rent
Since you've been gone, I'm golden
And everybody's saying that I got that new

Glow-ow, woah-woah
Got that new glow-ow, woah-woah
Got that new glow-ow, woah-woah
Damn, got that new glow-ow, woah-woah (Okay)

I been outside, got my vitamin D
Hit my girl Dre, got the prettiest brief
Got the bed to myself, better get the best sleep
Listen to Heavy Metal 'cause he's got the best weed
My phone lighting up, I just watch it go beep (Beep)
Taste all them boys like a charcuterie board (Charcuterie board)
Charcuterie board

All you bitches need some sunblock when you're looking at me
Got a brand new glow, yeah, I'm dripping UV
I'm a star, you ain't even in my galaxy
Yeah, you on my TikTok, I'm the fucking OG
You won't listen to this song, you're too cool for pop shit
But I made it so good, it's playing at the Target
Oh, and your mom loves this song
But she won't sing along, but she wants to
Sing it, bitch

Glow-ow, woah-woah
Got that new glow-ow, woah-woah
Got that new glow-ow, woah-woah
Damn, got that new glow-ow, woah-woah (Woah-woah, damn)
Glow-ow, woah-woah (Oh, baby, I'm glowing)
Got that new glow-ow, woah-woah
Got that new glow-ow, woah-woah (Oh, baby, I'm glowing)
Damn, got that new glow-ow, woah-woah (Okay)

Murdered the vibe, now I'm pulling the plug
You been gone three days, feeling like I'm on drugs
The happy ones, the good ones
The happy ones, good ones
Feeling fresh to death, pink shoes, down cute
You could use a little rest, you still looking like you
I've been dripping BDE, top to bottom, double C's
Oh, we broke up on my birthday, might upgrade to double D's
And I don't need 'em 'cause I'm golden
Grab your sunnies 'cause I'm glowing
And everybody's saying that I got that new

Glow-ow, woah-woah (Oh, baby, I'm glowing)
Got that new glow-ow, woah-woah
Got that new glow-ow, woah-woah (Oh, baby, I'm glowing)

Damn, got that new glow-ow, woah-woah (Woah-woah, damn)
Glow-ow, woah-woah (Oh, baby, I'm glowing)
Got that new glow-ow, woah-woah
Got that new glow-ow, woah-woah (Oh, baby, I'm glowing)
Damn, got that new glow-ow, woah-woah
Got that new

I'm glow-, baby, I'm glowing
