Ke\$ha

I'm taking the high road
I'm high as fuck and these assholes won't shut up
Got me laughing, I ain't losin' no sleep
I'm taking the high road
I'm high as fuck and I don't know where I'll end up
But I'm laughing, I ain't losin' no sleep

So aggressive, passive-aggressive
Delete the message and pass me a beverage, oh

Oh, good God, what the fuck have I done
All in the name of good, clean fun?
Y'all think I'm crazy, think I'm dumb
Could a bitch who's dumb write a number one?
Woo! More than one?
Woo! More than two?
Yeah, more than you, woo!

I'm taking the high road
I'm high as fuck and these assholes won't shut up
Got me laughing, I ain't losin' no sleep
I'm taking the high road
I'm high as fuck and I don't know where I'll end up
But I'm laughing, I ain't losin' no sleep

I'm taking the

Delete the message and pass me the beverage, hey

Oh, good God, sorry for the low blow?
A girl like me tryna take the high road
Been meditating, transcendental
Why y'all think I'm fuckin' mental?
Oh, I'm havin' fun
Woo! I'm havin' fun (She's havin' fun)
Woo! This shit is done
Yeah, now play that drum

I'm taking the high road
I'm high as fuck and these assholes won't shut up
Got me laughing, I ain't losin' no sleep
I'm taking the high road

I'm high as fuck and I don't know where I'll end up
But I'm laughing, I ain't losin' no sleep
