

Potato Song (Cuz I Want To)

Ke\$ha

Don't know where I'm going, but I know I'm always rushing
I never get there, and I forget where I've been
So stressed out on the daily, it is quite the shit-storm
All the psycho voices always yelling at me in my head

I'm over the drama
I'm moving to a distant island
Where I'll sleep all day
If I want to

I'll grow some potatoes and flowers
Then I'll make sandcastles
Then I'll eat some cake
'Cause I want to

La-di-da-di-da
'Cause I want to
La-di-da-di-da

Living in this world's like watching one big infomercial
There's useless information clogging up my little brain
I used to think my Gucci bag meant my shit was together
But now I see growing up's a game that I don't wanna play
No, no

I'm over adulthood
I'm throwing all my big girl panties
In the garbage can
'Cause I can

I'll be out riding my pony until it's time for candy
And I'll be naked
Because I want to

La-di-da-di-da
'Cause I want to
La-di-da-di-da

What would you do if you could do
Anything in the world that you wanted to?
What makes you happy? Do what you wanna do
Ain't nobody stopping you

Go grow some potatoes and flowers
Then go make sandcastles
Then go eat some cake
If you want to

('Cause I want to)
What would you do if you could do (La-di-da-di-da)
Anything in the world that you wanted to? ('Cause I want to)
What makes you happy? Do what you wanna do
Ain't nobody stopping you ('Cause I want to)
What would you do if you could do (I'm gonna do what I want)
Anything in the world that you wanted to? ('Cause I want to)
What makes you happy? Do what you wanna do (La-di-da-di-da)
Ain't nobody stopping you ('Cause I want to)
