

# RED FLAG.

Ke\$ha

I like what I like, the bizarre type, lowlife  
Tell me something I don't know  
All the nice guys left me dead inside  
I like chaos dripping head to toe

I'm seeing signs that I can't ignore  
It's complicated what I'm looking for  
You're fucking crazy and I'm fucking bored, yeah  
Exactly what I need  
I need a certain kind of chemical  
It's dangerous and unforgettable  
I want emotions that are overflowing  
Outta control and hopeless

The crazy in me sees the crazy in you  
And I think I need it  
The broken in me sees the broken in you  
I just got a feeling  
Hey, hoes, let's go

Like what I like, the bizarre type, lowlife  
Tell me something I don't know  
All the nice guys left me dead inside  
I like chaos dripping head to toe  
I (Can admit that)  
I (I love a red flag)  
Something so wrong does it so right every time  
Tell me something I don't know

Oh, there's nothing I don't wanna know  
Who are you when you're all alone?  
I like my men like I like my horses  
I like 'em wild, outta control, yes

God, I love a hopeless bastard  
I'm at my best in a disaster  
Can you make my heart beat faster?  
I just got a feeling

Like what I like, the bizarre type, lowlife  
Tell me something I don't know  
All the nice guys left me dead inside  
I like chaos dripping head to toe  
I (Can admit that)  
I (I love a red flag)  
Something so wrong does it so right every time  
Tell me something I don't know

I don't know, know  
Know, know

I see a red flag walking by, it really does it for me  
He doesn't know me, but he told me that he really loves me  
We're getting married and we're buying a boat house in Bali  
This is a red flag, this is a red flag  
I'm trying to level, but the devil's telling me we're perfect  
You say you don't believe in miracles, but I can turn you

Can't see this ending, but I certainly can't see this working  
This is a red flag, this is a red flag

Like what I like, the bizarre type, lowlife  
Tell me something I don't know  
All the nice guys left me dead inside  
I like chaos dripping head to toe (This is a red flag)  
I (Can admit that)  
I (I love a red flag)  
Something so wrong does it so right every time  
Tell me something I don't know

I don't know, know  
Know, know
