Timber

Ke$ha

It's going down, I'm yelling timber
You better move, you better dance
Let's make a night you won't remember
I'll be the one you won't forget

Wooooah (timber), wooooah (timber), wooooah (it's going down)
Wooooah (timber), wooooah (timber), wooooah (it's going down)

They call me the princess,
But now the influences,
My mind a little dirty,
I'll tag team Bert and Ernie,
Stop running my mouth but I'm not a quitter,
More home base than a clean up hitter,
Don't get paid to be a babysitter,
But I'll teach this song to your baby sister.

I live my life like I've been raised by wolves,
Y'all already know I'm a fucking animal,
I'm going out tonight to get the things that I need,
I'm gonna take what's mine and do it viciously.

It's going down, I'm yelling timber
You better move, you better dance
Let's make a night you won't remember
I'll be the one you won't forget

It's going down (it's going down), I'm yelling timber
You better move (you better move), you better dance (you better dance)
Let's make a night you won't remember
I'll be the one you won't forget (you won't forget)

Wooooah (timber), wooooah (timber), wooooah (it's going down)
Wooooah (timber), wooooah (timber), wooooah (it's going down)

It's harder than St. Henry's,
When sister Margaret sent me,
Straight into confession,
Now that shit's my profession,
I know ladies are to be seen, not heard,
Cook and clean, not use our words,
If you think that I'm too absurd,
Suck my dick while I flip the bird.

I live my life like I've been raised by wolves,
Y'all already know I'm a fucking animal,
I'm going out tonight to get the things that I need,
I'm gonna take what's mine and do it viciously.

It's going down, I'm yelling timber
You better move, you better dance
Let's make a night you won't remember
I'll be the one you won't forget

It's going down (it's going down), I'm yelling timber
You better move, you better dance (you better dance)
Let's make a night (let's make a night) you won't remember

I'll be the one (I'll be the one) you won't forget (you won't forget)

Wooooah (timber), wooooah (timber), (hey), wooooah (it's going down) (Pitbull)
Wooooah (timber), wooooah (timber), wooooah (it's going down)

Wooooah (timber), wooooah (c'mon), wooooah (it's going down)
Wooooah (timber), wooooah (you won't forget), wooooah
