

Vampire

Ke\$ha

[Verse 1]:

Didn't I hold you in my arms last night?
Didn't I open up my heart?
Where do you run before at the dawn's first light?
Why do you come back after dark?

[Chorus]:

Lacey curtains on my window flutter in the wind.
When the room gets icy cold, I know you're coming in.
Oh, oh-oh, oh-oh.
Oh.

[Verse 2]:

It's hard to tell out in this crazy town.
It's hard to know sometimes what's real.
I never knew when you would come around.
I never knew just how I'd feel.

[Chorus]:

Lacey curtains on my window flutter in the wind.
When the room gets icy cold, I know you're coming in.
My hearts pounds in anticipating loving you again.
When I feel your snow white fingers touching on my skin.
Oh, oh-oh, oh-oh.
Oh.

[Chorus]:

Lacey curtains on my window flutter in the wind.
When the room gets icy cold, I know you're coming in.
My hearts pounds in anticipating loving you again.
When I feel your snow white fingers touching on my skin.
Oh, oh-oh, oh-oh.
Oh.

[Outro]:

Didn't I hold you in my arms last night?
