

always

Keshi

(One, two, one, two, three)
(Lend me your ears)

Hey
Where'd you go?
Could've sworn that you were sleepin' over

Say
I don't know
But I thought that we were starting over

Like we always do
Like we always do
Was I a fool
To think that we always would

(Yes or no, this is your last chance, no beating around the bush)

Gone
Not a trace
And it's almost like it never happened

No
Not the same
Guess it hurt me more than I imagined

We always do
Like we always do
Was I a fool
To think that we always would

Like we always do
Like we always do
Was I a fool
To think that we always would
