

# Euphoria

Keshi

She's toxic for the thrill of it  
Bad news but I'm into it, she's all mine  
I chase that dragon all the time  
She knows how to reel me in  
Use me up and she's gone again, oh, my  
I stick around just for the hide

Your touch is my favourite drug  
Feening for a fading love, I'm gone all for you

Take me to euphoria, euphoria  
I need you in my veins  
I crave the sweet escape of euphoria, euphoria  
I try to walk away  
'Cause if I stay you'll be the death of me

I know there's no such thing as a free ride (I do, I do, I do)  
But when it comes to you I'm down to pay the price  
Got me cut wide open, girl, I'm bleeding  
I don't know why I still need it  
So kiss me and put me to sleep tonight

Your touch is my favorite drug  
Feening for a fading love, I'm gone all for you

Take me to euphoria, euphoria  
I need you in my veins  
I crave the sweet escape of euphoria, euphoria  
I try to walk away  
'Cause if I stay you'll be the death of me  
Yeah-yeah, yeah, yeah yeah, yeah, yeah...

Euphoria, euphoria  
I try to walk away  
'Cause if stayed you'll be the death of me
