

# Like That

Keshi

(Top down whippin in the 02, 02  
Top down whipping in the- top down)  
Where you at  
Baby on the low  
I been thinking I don't wanna take it slow  
Never keep you waiting on me  
Six speed racing just to see ya

Oh you can take the side  
Where you want me to be I'll slide  
Babe lemme know when you're ready to go  
Hit me up if you're down for the ride

(Baby I just wanna show you)  
Wanna show you I  
(All the ways I wanna know you)  
Want you all the time  
(Baby I just wanna show you)  
Baby every night you been  
(On my mind)

Do you like that  
Uh oh uh oh  
Tell me how you want it on the phone  
And I'll do it like that  
Uh oh uh oh  
Take you all the places you wanna go  
Just like that  
Got the top down whippin in the 02  
Just like that  
Uh oh uh oh

Ooo ahhh, ooo ahhh  
Ooo ahhh, ooo ahhh  
(Top down whippin in the 02, 02  
Top down whipping in the- top down)

And it's all for you  
If you ask me to  
Take time when you put it on me  
All night but you know that I stay  
(Cus you know that I)

Need what you got  
(Oh you can take the side)  
And I got what you need  
(Where you want me to be I'll slide)  
Whatever you want  
(Babe lemme know when you're ready to go)  
You can have it with me  
(Hit me up if you're down for the ride)

(Baby I just wanna show you)  
Wanna show you I  
(All the ways I wanna know you)  
Want you all the time  
(Baby I just wanna show you)

Baby every night you been  
(On my mind)
