

Moving on, never feel the same
Nothing seems to cover up the pain
Baby, I've been trying
But you can't hear what I say
Baby, baby

Moving on, never feel the same
Nothing seems to cover up the pain
Baby, I've been trying
But you can't hear what I say
Baby, baby

Moving on, never feel the same
Nothing seems to cover up the pain
Baby, I've been trying
But you can't hear what I say
Baby, baby

Moving on, never feel the same
Nothing seems to cover up the pain
Baby, I've been trying
But you can't hear what I say
Baby, (Aya), baby

Moving on, never feel the same
Nothing seems to cover up the pain
Baby, I've been trying
But you can't hear what I say
Baby, baby

Moving on, never feel the same
Nothing seems to cover up the pain
Baby, I've been trying
But you can't hear what I say
Baby, baby
