

## skeletons

Keshi

Stressed out  
Feeling lost and I don't know what to do now  
What I chose ain't really gonna work out  
Fallin' six feet underneath the floor now  
Think I'm gonna tap out (Ooh-ahh, Ooh-ahh)

Feel bad, go to bed  
Wake up even worse yea  
So sad, in my head  
Feeling like a curse  
I need medicine, medicine, medicine

All my skeletons out for the taking (Ooh-ahh)  
Yea, I don't even know if I'ma make it  
I'm afraid of myself and I hate it  
All my skeletons out for the taking  
Somebody take 'em

I wanna run away, the day to day  
Is taking its toll on me  
And I'm tearing at the seams  
Throw it all away  
Give a fuck about what they say  
I gotta disagree  
This ain't really fun for me

Feel bad, go to bed  
Wake up even worse yea  
So sad, in my head  
Feeling like a curse  
I need medicine, medicine, medicine

All my skeletons out for the taking (Ooh-ahh)  
Yea, I don't even know if I'ma make it  
I'm afraid of myself and I hate it  
All my skeletons out for the taking  
Somebody take 'em
