

All we ever do is have sex anyways
Come home fight, fuck that's everyday
I don't know if we could have any other way
I was thinking 'bout hurting myself
But girl you know how to do it so well that
I don't know if I could ever get enough babe

On and Off
Off and On
I don't wanna fuck around
Swore we were still in love
Got me seein'
Xo's xo's, yeah
Xo's xo's, yeah
(Carry me home like you used to)

On and Off
Off and On
I don't wanna fuck around
Swore that we had enough
Got me seein'
Xo's xo's, yeah
Xo's xo's, yeah

S-O, SOS
S-O, SOS
S-O, SOS
S-O, SOS

Do whatever you say
Do whatever you want me to
Baby I'm okay
You can wreck my heart in two
Yeah we made mistakes
But I wanna see this through
Baby it's okay
Let me put it back for you

All we ever do is have sex anyways
Come home fight, fuck that's everyday
I don't know if we could have any other way
I was thinking 'bout hurting myself
But girl you know how to do it so well that
I don't know if I could ever get enough babe
