ng down

Oooo whatchu want?
Tell me now before your time is up
Back on the wall posted up
You look too damn good to be tryna front
OoOo where's your game?
Sure looks like you got somethin' to say
Playing around I aint got all day
So come and take over me

Grab my left and my right hip Keep on and get me dip boy Just go ahead and enjoy Enjoy me so be about

Be about yours, Imma be about (mine)
I know what I want so don't waste you (time)
If you aint tryna step to me or get wit me don't even show your face cause
I'm on a roll you can't hold me (back)
If you bring it on then i'm good with that
Tonight don't play around cause if you bout yours then it's goi

Yeah now you understanding
I know my looks was so demanding that you couldn't help yoursel
f
You know it's always better with someone else
When you moving baby making me wanna just get crazy
The way you handling yours i'm sure
You'll have no problem with grabbing

Grab my left and my right hip Keep on and get me dip boy Just go ahead and enjoy Enjoy me so be about

Be about yours, Imma be about (mine)
I know what I want so don't waste you (time)
If you aint tryna step to me or get wit me don't even show your face cause
I'm on a roll you can't hold me (back)
If you bring it on then i'm good with that
Tonight don't play around cause if you bout yours then it's going down
