

Sorry

Keshia Chanté

This song is written in a form of a letter,
For anyone who has ever been hurt, by that special someone

Why you keep telling me that,
You ain't never coming back, that's too hard to take,
Can you at least hear me out first?
Though you think that i'm the worst, I made a mistake
I never though I made you feel I didn't care,
I know that I have hurt you, but you leaving just ain't fair
Here is my apology

I'm sorry, for ever thinking of myself
Forgive me don't want you loving no one else
Stay with me don't want to feel the way you felt
Oh no no, no, no, no
I'm sorry, for ever thinking of myself
Forgive me don't want you loving no one else
Stay with me don't want to feel the way you felt
Oh no no, no, no

Your like nothing that i've had before, I love your name
I have let you down and baby i'm the one to blame
This letter that i've written isn't something that I do
That's why you must believe, that i'm still in love with you
This is my apology

I can't think right
My days seem night
'Cause it's so cold
And baby I know that
Me alone ain't good
I said, me alone ain't good
I can't see straight
Please heal my fate
Don't run away
I need you to stay cause
Me alone ain't good
I said, me alone ain't good

Boy, I'm sorry, for ever thinking of myself
Forgive me don't want you loving no one else
Stay with me don't want to feel the way you felt
Oh no no, no, no, no, no, no
I'm sorry, for ever thinking of myself
Forgive me don't want you loving no one else
Stay with me don't want to feel the way you felt
Oh no no, no, no, no, no

I can't think right
My days seem night
'Cause it's so cold
And baby i know that
Me alone ain't good
I said, me alone ain't good

(Spite,)
What we've gone through

(What we've gone through)
I'm incomplete if i don't have you
(I need you right here with me)
My heart aches sence you left and I don't know what to do

I'm sorry, for ever thinking of myself
Forgive me don't want you loving no one else
Stay with me don't want to feel the way you felt
Oh no, no, no, no, no, no, no, no, no, no

I'm sorry, for ever thinking of myself
Forgive me don't want you loving no one else
Stay with me don't want to feel the way you felt
Oh no, no, no, no, no, no
