

Table Dancer

Keshia Chanté

Thank you DJ, for playing my song
Put that sh*t on replay, all night long
Hey Bartender, better move those bottles
Better clear those tables, cause they 'bout to be filled with models

(DJ, DJ)
Put that sh*t on
(Replay, Replay)
Spin it all night long

Cause I'll be Table Dancing
This is your chance
To be with me, and you will see
Up on the table dancing
That's where romance is
If your with me
And you will see
Say

Whoa oah oah oah oah - oh
Whoa oah oh Woah oah - oh
Whoa oah oah oah oah - oh
Whoa oah oh Woah oah - oh

Come on closer into my world
Show you all the reasons why I'm your favorite girl
Be-be-beside me, don't let me fall
Just hold me close and don't let go until last call
