

## 2am

kets4eki

It's 2 A.M., I'm on deadly dose of ketamine  
Abusing drugs, slitting wrists, you can come and see  
I'm at the top, bloody hands, take a look at me  
My visions fucked shouldn't take that much of LSD  
It's 2 A.M., I'm on deadly dose of ketamine  
Abusing drugs, slitting wrists, you can come and see  
I'm at the top, bloody hands, take a look at me  
My visions fucked shouldn't take that much of LSD

You're so fucking cute, I wanna live inside you  
Do you understand well, now you're brand new  
Take ket, now I don't know what to do  
How you have self-worth when you're with her?  
Help me girl, look inside my eyes  
Are you ready for a surprise?  
Wearing masks at the party, I just wanna shot  
I wanna feel you inside your gut  
You're the one for me, I'm the one for you  
See you in the hallway and you know it's true  
We'll be together forever  
I'll give you a new sweater  
If you're feeling [?]

I knew that I wanted you right from the start  
If you gave me your all I would give you my heart  
Baby don't tear me apart  
Don't rip out my heart  
Don't tear me apart  
Don't rip out my heart  
I can save you from this world but I can't save you from myself  
You can love me now or later or you could just save yourself  
Smoke me away like a blunt  
Eat away at my heart and blood  
I'll stalk you if you say we're done  
'Cause baby I thought you were the one

It's 2 A.M., I'm on deadly dose of ketamine  
Abusing drugs, slitting wrists, you can come and see  
I'm at the top, bloody hands, take a look at me
