I-I-I-I-I'll always remember you, how could I ever forget  
All the things that you put me through, I'll take 'em to the end  
T-T-The scars, they stick with me, but the sex never regret  
(D3r, I despise you) (M-M-Marry me Pröz)  
These pills may fool you, but-

I think you're attached (Ah), things been moving fast  
A-A-All these people left your life, but you don't care, they're trash  
I-I-I-I think you're attached, we-we've been moving fast  
D-D-Didn't even know your name, I never thought to ask  
I-I-I-I think you're attached (Ah), things been moving fast  
A-A-All these people left your life, but you don't care, they're trash  
I-I-I-I think you're attached, we-we've been moving fast  
D-D-D-Didn't even know your name, I never thought to ask

I-I-I-I think you're attached to the drugs, to the lo-o-o-o-v-ve  
I-I-I know you're never sober, that's why you can't get enough  
P-P-Poppin' pills, you're at the plugs', t-t-that's how we met  
I think of you in that cute skirt, uh, your panties wet

I-I-I-I'll always remember you, how could I ever forget  
All the things that you put me through, I'll take 'em to the end  
T-T-The scars, they stick with me, but the sex never regret  
These pills may fool you, but molly is my friend  
M-M-M-My eyes are shaky, seeing double, no pretend  
I-I-I-I think you hate me, wishing I could make amends  
I'm not a liar, the truth is something that I'll never bend  
I know you despise me, but our bond, we can mend

(I think you are trash)  
(Been feeling unattached)  
(I think you are trash)

I think you are trash, been feeling unattached  
All the things you did to me stay with me from the past  
I think you are trash, things been fuckin' ass  
None of this is make believe, you drove me 'til I crashed  
(I think you are trash)  
B-But I'ma fuck up on that bitch anyway, I don't give a shit  
You play with my heart, now I'm gonna fuck your life up in a bit  
Came up from nothing just me, my friends, and a death wish  
And if I show you how I move, you might end up in a ditch

Things been moving fast  
A-A-All these people left your life, but you don't care, they're trash  
I-I-I-I think you're attached, we-we've been moving fast  
D-D-Didn't even know your name, I never thought to ask
