

be my bad bitch!

kets4eki

Marry me Pröz

Be my bad bitch, be my girl
Be my weekend lover, but don't be my friend
You can be my slut, but understand
That I don't need you in my life again
Be my bad bitch, be my girl
Be my weekend lover, but don't be my friend
You can be my slut, but understand
That I don't need you in my life again

You once made a promise to stay by my side
But this bitch broke the rules, so swapped this one
Then I had to get some Oxy and keep having that good time
Gotta keep minding my business, popping molly, spending cash

Be my bad bitch, be my girl
Be my weekend lover, but don't be my friend
You can be my slut, but understand
That I don't need you in my life again

Be my bad bitch, be my girl
Be my weekend lover, but don't be my friend
You can be my slut, but understand
That I don't need you in my life again
Be my bad bitch, be my girl
Be my weekend lover, but don't be my friend
You can be my slut, but understand
That I don't need you in my life again

Be my bad bitch, be my girl
Be my weekend lover, but don't be my friend
You can be my slut, but understand
That I don't need you in my life again
