Marry me Pröz

'Cause every single day that passes, girl I fucking miss you more
I was so in love with you, I thought we were forevermore
But it's alright, I'll be alright
I guess I'll write you songs like every night

I'm still thinkin' of the night, when I met you at the party
You were hanging with your friends, knew you weren't just a hottie
Then I asked you for a dance, raving to some trance
Yeah, we been makin' bands, I'm makin' money with my friends
I'm still thinkin' of the night, when I met you at the party
You were hanging with your friends, knew you weren't just a hottie
Then I asked you for a dance, raving to some trance
Yeah, we been makin' bands, I'm makin' money with my friends

W-W-With my friends we're making money, with my friends we're making bands
Yeah we making fucking history, and you can't have piece of the cake
You wanna rock with us, but we're exclusive, we're the shit
'N we sippin' fucking codeine, we in Warsaw making hits (Let's go)
Makin' bops after bops
Call me mother fucking popstar
Spent a thousand on new bag, call me a mother fucking trapstar
Wanna rock with us, but we're exclusive, we're the shit
Never sleeping, up recording, we're in Warsaw making hits (Let's go)

Młody punk

You told me that we were forevermore
But you left me lyin' down on the floor
And now you're up every night callin' up my phone
Bitch I'm up, gettin' money but I still want more
Money with my friends, yeah bitch I'm gettin' bands now
I was tweakin' off them xans, but I'm seein' things clear now
You're bad for my health, everyday was just a letdown
I tak by cię tu nie było, gdyby ciągle nikt mnie nie znał
I nie mówi, że to nieprawda
Dobrze wiesz czemu mam krew na nadgarstkach
Teraz jeżdżę od miasta do miasta
Posted up with bros, yeah, we lookin' like some popstars (Popstars)
Popstars, czuję się jak gwiazda
Bitch, I can't stop now, nie, nie stoję na przystankach
Mówili, że to faza, ale z tego nie wyrastam
Wpierdalam się na top charts, dziwko, sprawdź mój SoundCloud
