

High Precision!

Crescent

It's hard to throw decisions without high precision
Fuck life yeah, got no vision
Me, my bros on our way to secret mission
Baby, I know that you miss me
Lately, I just been so busy
Dizzy, we were so dizzy
Off the percs at the party, yeah, we crazy

W-w-we at the party, getting crazy
I'm with your bitch and then things get fuckin' nasty
Slowed down off delta packs, I'm spending all these checks
Been counting all these bands, I'm never alone, I'm with my gan
