

on the floor

kets4eki

Dancin' all the night, got the homies all around me
Xanny in my bed, we smoke some weed and pop a molly
Party all the night, this is how I want my life
Happy I can spend it on some clothes inside the party

Dance the night away
Live your life, and stay young on the floor (Tonight, we gon' be it on the floor)
Dance the night away
Grab somebody, drink a little more (Tonight, we gon' be it on the floor)

Poppin' molly when we at the party
With your bitch gettin' naughty
I've been off the PCP, feelin' like I might kill somebody
My bro yeah, he candy flippin'
I'm just busy smart whipping
I've been off the NOS so much
I can't walk, I'm just fuckin' livin'

We in the bed, still as fuck
She should be doing me like a chore
I think I took too many hits, so she got me bored
I bless that shawty, she say she want more
She goin' crazy, we walked through the door
She hit me up, but she gettin' ignored
She hit me up, but she gettin' ignored-ored-ored-o-o-
Dance the night away
Dancin' like on never before (Dancin', dancin')
Dance the night away
Dancin' and we stay on the floor
Tonight, we gon' be it on the floor
