O-o-o-o-overdose, blurry vision, fuckin' do this every day
I tried hard to find myself, but my heart beats on its way
Feel so lost, there's no hope, think I might've overdosed
Cut away, I'm really hurt, Perkies all over my floor
Overdose, blurry vision, fuckin' do this every day
I tried hard to find myself, but my heart beats on its way
Feel so lost, there's no hope, think I might've overdosed
Cut away, I'm really hurt, Perkies all over my floor

O-o-o-overdose on the floor, baby, I don't give a fuck
I'm with kets in the club, yeah, we goin' hard
Poppin' all these Percs, yeah, we do it, super fun
Yeah, we rockin' every day, livin' like a rock star
R-r-r-rock star, we go hard
I-I-I pass the beverage to your girlfriend
Got a headache but I feel amazing
There's a mayday, never made it
I'll be famous, yeah, we'll be famous
Not understanding, I'm so faded
There's a mayday, I'm so faded

I-I-I-I overdose on my Adderall 'cause I don't wanna sleep
I'm feelin' so deprived 'cause I don't wanna be stuck in my dreams
And you might think I'm lying but I'm actually crazy
All my motivation left my body, so I do nothing
I just party with my homies everyday
I'm off the Oxycodone and a shit ton of cocaine
I really love my drugs but my come downs are the same
My mental health is in decline, it hits me like a train

O-o-o-o-overdose, blurry vision, fuckin' do this every day
I tried hard to find myself, but my heart beats on its way
Feel so lost, there's no hope, think I might've overdosed
Cut away, I'm really hurt, Perkies all over my floor
Overdose, blurry vision, fuckin' do this every day
I tried hard to find myself, but my heart beats on its way
Feel so lost, there's no hope, think I might've overdosed
Cut away, I'm really hurt, Perkies all over my floor
