Marry me Pröz

Tell-Tell-Tell me why I'm such a reject
Mixed these drugs, felt like a DJ
Got more money, life ain't easier
This shit's tough, I can't believe it
Life is tough, so I hit my plug up
Pull up to the party, end up fucked up
Got some molly, bitch I'm swagged out
Popping so much till I pass out (Tell me-Tell me-)
Tell me why I'm such a reject
Mixed these drugs, felt like a DJ
Got more money, life ain't easier
This shit's tough, I can't believe it
Life is tough, so I hit my plug up
Pull up to the party, end up fucked up (Got some)
Got some molly, bitch I'm swagged out
Popping so much till I pass out

Never 'lone, I'm with my thoughts
Pop a Perc', now time goes slow
Check my DM, so much hoes
Got no time, I'm posted up
Test my money, shit's no joke
Popping bottles all night long
Blurry vision and some coke
Consume all, don't give a fuck
