

ROCK IT UP

kets4eki

Hold up, is that wasty?

Swaggin' like a superstar
We're gonna rock this club
Feelin' like a damn rockstar
Watch me breakin' guitars
Swaggin' like a superstar
Step like a sexy star
Feelin' like a damn rockstar
We're gonna rock it up

We're gonna rock it up
We're gonna rock it up
We're gonna rock it up
Drift on a supercar
We're gonna rock it up
We're gonna rock it up
We're gonna rock it up
Flash on the superstars

We gonna fuck it up 'cause we don't give a fuck
We party anyway 'cause we don't give a fuck
Met this girl at the rave, she's a wild slut
Met this girl at the rave, and she just down to fuck
We gonna fuck it up 'cause we don't give a fuck
We party anyway 'cause we don't give a fuck
Met this girl at the rave, she's a wild slut
Met this girl at the rave, and she just down to fuck

Swaggin' like a superstar
We're gonna rock this club
Feelin' like a damn rockstar
Watch me breakin' guitars
Swaggin' like a superstar
Step like a sexy star
Feelin' like a damn rockstar
We're gonna rock it up

We're gonna rock it up
We're gonna rock it up
We're gonna rock it up
Drift on a supercar
We're gonna rock it up
We're gonna rock it up
We're gonna rock it up
Flash on the superstars

Stage diving on my fans
With groupies high as fuck
In the backseat of a car
Counting bands like superstars
I'm gonna get her now
I'm gonna get her now
She says, "I'm her, hear me out"
I wanna rock it up
I'm busy rockin' all day
Just watch me burnin' on stage

I got plenty bitches
But I can't remember all of their names
Don't waste my time
Feel like I'm in my prime
Me and friends are partying hard
They watch us turning wild

Swaggin' like a superstar
We're gonna rock this club
Feelin' like a damn rockstar
Watch me breakin' guitars
Swaggin' like a superstar
Step like a sexy star
Feelin' like a damn rockstar
We're gonna rock it up

We're gonna rock it up
We're gonna rock it up
We're gonna rock it up
Drift on a supercar
We're gonna rock it up
We're gonna rock it up
We're gonna rock it up
Flash on the superstars
