Already know you want me, stop talkin'
A-A-All these hoes want a taste
Bump my music on replay

Hit my line like everyday

I see her movin', how she do it
Rock your body, get into it
I see her movin', how she do it
Rock your body, get into it

Rock your body, get into it

Rock your body, get into it

Twenty-six wrapped up in the tru-u-unk

Where the Grey Goose, tryna get dru-u-unk
Heard your mixtape and it stu-u-unk
Tryna get slammed, hit a du-u-unk
When I get fucked, I be screaming, "Yv-n-ncc"
Bitches so mad that I came right back
Why they act hard when they ain't like that?
Why they wanna scrap like I ain't fight back
Bitch, it's two small titties and a baseball bat
And I hit like smack, spit like crack
In the hotel tryna split my back
Up in JC Penney tryna rip the tag
And I ain't a hot knife, bitch, I can't split the bag
