Talk shit, and get hit

Talk shit, talk shit, and get hit

Talk shit, and get hit, yeah, just feel the floor under  
See me in the club, woah, love me if you want all my love  
Don't know, oh my God, she got hella bands  
Get the fuck up out of my face, bitch, I'm going home alone  
I love it, oh shit, I don't wanna go home, not like that  
If you wanna see me, yeah, I wanna know who you with  
No, I don't really care, I don't care at all  
And you such a pretty little slut, so [?]

Everybody party tonight, I feel so naughty  
And she want it in her tummy, oh my God, what a fucking whore  
Everybody party tonight, I feel so naughty  
And she want it in her tummy, oh my God, what a fucking whore

Oh, I want it, can't stop me, sniff coke in the party  
Fucked up, we're getting naughty, hottest and you see my shawty  
Sniffing lines, fucking on your whore, yeah, you know how it goes  
In the party, sucking on my knife, like a slut  
And she looks so excellent, she can be my next bae (Bae, bae, bae, ba  
e)

FabFantasy

Pop out X to party, got another, we get hella sick  
All these girls, they see me running up, they just really want a hit  
Fucked up, feeling fucked up, mixing Molly with that Ket  
Fucked up, feeling fucked up, yeah, you guys are fucking lame  
I'm flying in the sky, yeah, we do this every night  
Poppin' bottles at the club, 'til we see the sunlight  
I don't give a single fuck, all you bitches getting blocked  
And they be me, run it up, get the fuck away from us
