

## will you be mine

kets4eki

And I been fuckin' trippin', girl, I need you all the time  
'Cause when I'm fuckin' with you, all I ever feel is fine  
And when you're gone, I have to go and do another line  
So girl, will you be mine? Baby, you don't have to lie  
And I been fuckin' trippin', girl, I need you all the time  
'Cause when I'm fuckin' with you, all I ever feel is fine  
And when you're gone, I have to go and do another line  
So girl, will you be mine? Baby, you don't have to lie

Baby, you don't have to worry about nothing just this time (Just this time)

Me, you and my friends up in the club it's gon' be fun (Gon' be fun)

Then we will go back home and play some game 'til it's the night ('Til the night)

Pop a couple downers just until we feel alright  
Just until we feel alright

And I been fuckin' trippin', girl, I need you all the time  
'Cause when I'm fuckin' with you, all I ever feel is fine  
And when you're gone, I have to go and do another line  
So girl, will you be mine? Baby, you don't have to lie  
And I been fuckin' trippin', girl, I need you all the time  
'Cause when I'm fuckin' with you, all I ever feel is fine  
And when you're gone, I have to go and do another line  
So girl, will you be mine? Baby, you don't have to lie

Baby, you don't have to lie

Fuck a life I stay online, chasing dreams, I'm having fun  
Svoj naredu sm si svet, kot da bil bi skos zadet

Fuck a life I stay online, chasing dreams, I'm having fun  
Od slo do poljske skače svet, kr v klubu smo že spet

Fuck a life I stay online, chasing dreams, I'm having fun  
Svoj naredu sm si svet, kot da bil bi skos zadet

Fuck a life I stay online, chasing dreams, I'm having fun  
Od slo do poljske skače svet, kr v klubu smo že spet

All the things you said to me, baby you crossed the line

Maybe I'm fuckin' crazy, but you will not fuck my mind

I'm crushing up the pills, but that's still not gon' make me fine

And you know I've been dancin' in the club like all night

All the motherfuckin' night, all the fuckin' night, party till I die

You know I've been smoking all my weed, you're goddamn right

Polostars we're high, Polostars we're high

We gon' fuckin' blow up like a rocket in the sky
