

Bloom

Kevin Abstract

Why skimp out on me while we move in code?
Still dreaming 'bout my bitch, the one I letted go
Don't care, it's forever go 'cause that shit touch my soul
Hate having no control, maintain me some more
Hey, hey, gon' pull up on me, hey, yeah, testin' on you
Say cousin, could you loan me some money? Lawyer still telling
on me
I'm surprised that she ain't tell up on me, take it to the grav
e, like
Hurt him in the daylight, what's mine is hers, it's a curse tha
t we feel like this

You ain't tell on me, I won't let it go
Put that on my soul, we was on a roll
You fell out on me, I can't let it go
Tell me it ain't so, I'll tie you to my soul

This something I know you'll like
Just come to my show tonight
You know that I love you, right?
I've been waiting to be with you all my life
This something I know you'll like
Just come to my show tonight
You know that I love you, right?
I've been waiting to be with you all my life

I've been waiting to be with you all my life
I've been waiting to be with you all my life

And no, I won't let you go now
You know I hate how it went down
Trick me in the Jeep, spread your legs out
Spread your legs out
