He just finished off his margarita
My fake ID woulda' worked on this nigga
He said remember that them boys carry heater
He said remember that the boy carry heater
He said remember that the boy carry heater

You can all follow me
If he falls, call on me
You can all follow me
When he falls, call on me
Call on me

You're probably gonna have to call
You're probably gonna have to call
You're gonna hate me after all
You're probably gonna have to call

He just finished off his margarita
My fake ID woulda worked on this nigga
He said remember that them boy heater
