

# Rush

Kevin Abstract

When I see ya  
Our life could end  
And when I'm near ya  
You don't need your friends  
I fell in love with an angel  
And don't nobody know  
I think I might tell her  
I fell in love with an angel  
And she don't even know  
I think I might tell her

My baby don't tell me she love me when she in a rush  
I'm with it, I'm in it until I'm falling out of love  
The girl on this Earth see me all on my bad days  
I'm down in the dirt give me my faith for a Sunday  
My baby don't tell me she love me when she in a rush  
I'm with it, I'm in it until I'm falling out of love  
The girl on this Earth see me all on my bad days  
I'm down in the dirt give me my faith for a Sunday

And when I see ya  
Our life could end  
And when I'm in ya  
I feel my world cave in  
I fell in love with an angel  
And she don't even know  
I think I might tell her  
I fell in love with a white girl  
And she don't even know  
I think I might tell her

My baby don't tell me she love me when she in a rush  
I'm with it, I'm in it until I'm falling out of love  
The girl on this Earth see me all on my bad days  
I'm down in the dirt give me my faith for a Sunday  
My baby don't tell me she love me when she in a rush  
I'm with it, I'm in it until I'm falling out of love  
The girl on this Earth see me all on my bad days  
I'm down in the dirt give me my faith for a Sunday

I see a light that shines so bright tonight  
And I know that when I close my eyes you'll be gone again

Bae why you be playing?  
You think I'm running game, not even hearing what I'm saying  
And that's damn near everything except what I need to  
Talking to my boys and they suggest that I leave you  
But, who the hell else am I gon' text girl I need you  
I love it when you dress up really sexy and see through  
And yeah your body steady banging just like the beat do  
How the hell I get so lucky when I said nice to meet you

My baby don't tell me she love me when she in a rush  
I'm with it, I'm in it until I'm falling out of love  
The girl on this Earth see me all on my bad days  
I'm down in the dirt give you my faith for a Sunday  
My baby don't tell me she love me when she in a rush

I'm with it, I'm in it until I'm falling out of love  
The girl on this Earth see me all on my bad days  
I'm down in the dirt give me my faith for a Sunday

When I met you last night baby  
Before you opened up your gap  
I had respect for you lady  
But now I take it all back  
Cause you gave me all your pussy  
And you even licked my balls  
Leave your number on the cabinet  
And I-you know what  
I might give you a call  
Cause I have never played a girl
