

Madame Butterfly

Kevin Ayers

Nothing positive can come out of this
Said madame butterfly with her last kiss;
And what you never had, you won't really miss
And nothing really matters, no not even this.

Alright, I said, I know
All things must change;
And what was familiar now seems strange, yeah
. back on the streets, I move from town to town
But I don't know where, or why I go..
Where is high, where is low;
Where is up, and where is down;
I just don't know, I just don't know.

I wish I could fall
Wish I could fall, fall in love;
But i'm, I'm not at all
I'm not at all in love....
