

# Shooting at the Moon

Kevin Ayers

How far can anyone go and to where  
How much can anyone do and to who  
Oh, oh, oh girl  
I'm so blue girl  
What can I do?  
I believe in you  
How far can anyone go and to where  
How much can anyone do and to who  
Oh, oh, oh girl  
I'm so blue girl  
Take a look around  
What's that you've found

There'll come a time when you won't understand the position of  
Someone you tried and decided to gain acquisition of  
How far can anyone go and to where  
How much can anyone do and to who  
Oh, oh, oh girl  
I'm so blue girl  
What can I do?  
I believe in you
