

# Amazing Grass

Kevin Bloody Wilson

Ooooh  
'Twas just a seed  
A tiny seed  
That my mate gave to me  
A seed I sewed  
And then watched grow  
Into a fucking great tree  
Amazing grass  
How sweet the smell  
That made a wreck of me  
I once was straight  
Now shit-faced  
Pass the joint 'round please  
I can't believe  
Amazing weed  
One toke, one tiny puff  
I'm ripped, I'm bent  
I'm off me tits  
I'm stoned, I'm wrecked  
I'm fucked  
Amazing grass  
How sweet the smell  
That made a wreck of me  
I once was straight  
Now shit-faced  
Pass the joint back please  
And when I'm old  
And near-on fucked  
With cobwebs on me arse  
I'll just thank Christ  
Oh, that I've survived  
On my amazing grass  
Amazing grass  
How sweet the smell  
That made a wreck of me  
I once was straight  
But now off me face  
Oh, can I have another toke please  
Amazing grass  
How sweet the smell  
That made a wreck of me  
I once was straight  
Oh, all heads and no fucking leaves  
Amazing grass  
How sweet thou art  
That made a wreck of me  
I once was straight  
Oh, woo, shit-faced  
Oh, can I have somethin' to eat  
Amazing grass  
How sweet the smell  
That made a wreck of me  
Pass the munchies please  
Amazing grass  
How sweet  
I once was straight  
Pass the Mars bars, please

Amazing grass  
I once was fucking straight  
Pass the fucking Mars bars
