

# D.I.L.L.I.G.A.F.

Kevin Bloody Wilson

I'm the sorta' bloke that would like to think that if i could go back in time  
Banjo an Henry an even Ned Kelly would all be good mates of mine  
Coz they're piss pots, poets and outlaws and I can relate to that and I can relate to their attitude too in a word Dilligaf!

That's spelt D I L L I G A F.

Dilligaf

And it means:

Do I look like I give a fuck? Dilligaf!

Am I being direct enough? Dilligaf!

It's just another way of saying, "I couldn't give a fuckin' rat's arse, mate!"

Do I look like I give a fuck? Dilligaf!

Do I look like I give a fuck? Dilligaf!

You see, it's stress relief made easy: it's simple, and it works;

just say "Dilligaf" next time you gotta deal with dickheads, wannabes and jerks.

And when you go out, stick a dilligaf on your t-shirt or your hat,

and when some cunt's givin' you the shits just say, "Mate, read that!"

"That's spelt D I L L I G A F: dilligaf!"

Do I look like I give a fuck? Dilligaf!

Am I being direct enough? Dilligaf!

It's just another way of saying, "I couldn't give a fucking rat's arse, mate!"

Do I look like I give a fuck? Dilligaf!

Do I look like I give a fuck, Dilligaf!

Do I look like I give a fuck, Dilligaf!

Am I politically correct enough? Dilligaf!

It's just another way of saying, "I couldn't give a rodent's rectum, mate!"

Do I look like i give a fuck? Dilligaf!

Do I look like I give a fuck, Dilligaf!

Do I look like i give a fuck? Dilligaf!
