

DILLIGAF

Kevin Bloody Wilson

I'm the sorta' bloke that would like to think that if i
could go back in time,
Banjo an Henry an even Ned Kelly would all be good
mates of mine,
coz they're piss pots, poets and outlaws and I can
relate to that and I can relate to their attitude too
in a word Dilligaf!

D.I.L.L.I.G.A.F.

Dilligaf,

and this is what it means:

Do I look like I give a fuck, Dilligaf

Am i being direct enough? Dilligaf

Its just another way of saying I couldnt give a fuckin'
rats arse mate, and do I look like I give a fuck?

Dilligaf

Do I look like I give a fuck, dilligaf

Its stress relief made easy its simple and it works
just say dilligaf when your dealing with fuckin'
dickheads wankers and jerks.

An when you go out stick a dilligaf on your t-shirt or
your hat and when some cunts givvin' you the shits just
point and say read that.

Do I look like I give a fuck, Dilligaf

Am I politically correct enough? Dilligaf

Its just another way of saying I couldnt give a rodents
rectum mate, and do I look like I give a fuck? Dilligaf

Do I look like I give a fuck, Dilligaf

am i being direct enough? Dilligaf

Its just another way of saying I couldnt give a fuckin'
rats arse mate, and do I look like i give a fuck?

Dilligaf

Do I look like I give a fuck, Dilligaf
