

Rancid Rozitta

Kevin Bloody Wilson

Just south off the boarder
And off the bit and track
In a run down old cantina
In a brothel at the back,
Just look for the swam'a flies or follow your nose
To the filthiest prostitute in all of Mexico

We call her 'Rancid..
Rozitta',
Hooker..
Don't come cheap'a,
Pussy
Smell like her feet'a
Rancid..
Rozitta.

I see pimples on her chin,
Look both way with her eyes,
Moustache like her brother
Only one tooth when she smiles
Flaps like donkey saddlebags
That hang down to her knees,
If you drunk enough to fuck her
You get Syphilis for pre

From Rancid..
Rozitta,
Hooker..
Don't come cheap'a,
Pussy
White as a street'a,
Rancid..
Rozitta.

Hairy minge and matted tatted
Not a pubic hair,
Fleas and crabs and little critters
Crawling everywhere,
When she finished fuckng,
Her brother like to wait
To felch her ass for little worms
To use for fishing bait

We call her 'Rancid..
Rozitta',
Hooker..
Don't come cheap'a
Rank smell..
Like dick cheese'a,
Rancid..
Rozitta.

Cockroaches rat shit
All across the floor,
Vibrator from gentlemen
From prophet gets the door,
But if it make you vomit

And you no stand the stench,
Roll her brother on his belly
And bum fuck him instead

Hey Rancid..
Rozitta,
Hooker..
Don't come cheap'a,
I know
'Cause she's my sister,
Rancid..
Rozitta.

Rancid..
Rozitta,
Hooker..
Don't come cheap'a,
I know
'Cause she's my sister,
Rancid..
Rozitta.
