

Chicken Wing

Coyne, Kevin

Well, it started at a party, it started at a party

Everybody there was getting hale and hearty

Saying: How do you do it? How do you do that thing? (2x)

I said I don't how to do it but I'm calling it the Chicken Wing

Yes, you take a piece of this and you take a piece of that

You might as well to try to skin a mangy cat

But, how do you do it now? How do you do that thing?

Saying: How do you do it? How do you do that thing?

Don't how to do it but I call it the Chicken Wing

I was drivin' in may car Just the other day

A big fat bus gettin' in my way

I said: What you're doing there? He said: I'm only doing my thing (2x
)

I call it one thing, yes, I call it the Chicken Wing

Yes they're shaking it high and low, everyone in town, wherever I go

Everybody's crying and boppin' heads , Everybody goin' "Cock a doodle
doodle doo!"

Now they've taken it all, all over the world, every little boy and ev
ery little girl says

Saying: How do you do it? How do you do that thing? (2x)

Well I don't how to do it but I call it the Chicken Wing

Cock a doodle doodle doo

Well listen you all now, listen to me, you can't do this dance if you
're under three

But if you wanna do it, if you want to do your thing

If you want to do your thing, Go on and do it!

Call it the Chicken Wing

Cock a doodle doodle doo

I don't how to do it but I'm calling it the Chicken Wing
