

Learn To Swim - Learn To Drown

Coyne, Kevin

The rain it speaks
Walls rock
Minds meet
Sweetness shouts
The rain it speaks
Walls rock
Minds meet
Sweetness shouts
I'm sliced like a cucumber
Cracked like an egg
Sitting like a little dog
Waiting to beg for you, for him, for me, for you, for some, for
something
Holding on
Screaming on
Finding on
Screaming on
Holding on
Fighting on
Screaming on
Fighting on
Sliced like a cucumber
Cracked like an egg
Sitting like a little dog

Waiting to beg for you, for him, for you, for him, for you, for
him, for you, for him and you
The rain it falls
The snow it comes
Barricades burn
The world it turns
The rain it falls
The snow it comes
Barricades burn
The world it turns
Sliced like a cucumber
Cracked like an egg
Sitting like a little dog

Waiting to beg for you, for him, for you, for him, for you, for
him, for you
Rivers run backwards
Dogs fly aeroplanes
The deaf suddenly hear
Cats learn to swim
Learn to swim, learn to drown (5x)
