

Mummy

Coyne, Kevin

Daddy let the dogs of war out, let them bite me now (3x)
Set them out to chew, oh to chew, all my boots and shoes
Daddy let the sheeps of peace out, let them graze around (3x)
Set them out to see me, oh be me, so peacefully

Daddy, set your old face smiling, set it smiling now (2x)
Smile and smile and smile and smile
Cause that's all I ever wanted to see is when you're smiling and you're chuckling at me
Daddy get angry angry angry angry do (3x)

Cause that's all I know of you, when you go, when you're going.
..

Mummy, mummy, where's mummy, where's mummy, where's mummy
Mummy's in the garden, wearing her best clothes (2x)
Mummy's in the garden, wearing her pretty best clothes
Mummy mummy mummy, isn't daddy funny

Let's hide away till he finds, till he finds a way, till he finds a way
