

## Relaxing With Bonnie Lou

Coyne, Kevin

Well, I got the fire, I got the home  
My girl's near me, I'm never alone  
She's so nice and she know  
Just what to do, what to do  
Oh I love you, girl, I love you, girl

Come here, baby, you're out of this world  
You're my girl  
I'm relaxing with Bonnie Lou, oh yeah

When I get home  
I'm tired and full of woe  
She follows me wherever I go  
Pat my hair  
Makes me sit on down, sit on down

Oh come here, baby, once again  
I wanna love you since I don't know when  
I'm relaxing, it ain't taxing  
I'm relaxing with Bonnie Lou, oh yeah

Bonnie Lou, she's a cutie  
Though she's fat and old  
I love her, she loves me  
My girl's never cold

Come here, baby  
Oh show me what you can do  
I've got my beady eyes on you  
I wanna relax, I wanna relax  
With my Bonnie Lou, oh yeah, oh

Well, Bonnie Lou, she's a cutie  
Though she's fat and old  
I love her, she loves me  
My girl's never cold

So come here baby  
Show me what you can do  
I've got my beady eyes on you  
I'm waiting here, waiting  
For you to open the door

Yes, I love her and she loves me  
She knows, she knows what to do  
I'm relaxing, relaxing  
With my Bonnie Lou, oh yes

Relaxing with my Bonnie Lou  
She knows just what to do  
When I come home, she's there  
She knows how to care, yeah

Bonnie Lou, my Bonnie Lou  
Bonnie Lou, my Bonnie Lou
