

## River Of Sin

Coyne, Kevin

River of sin, the river of sin You be careful - don't fall in Yellow and dirty and the surface is dim Black as coal right to the rim Yes the river of sin The river of sin

Don't fall right into the river of sin I'll leave you but I'll be back again A long long tale to tell you but I don't know when Mascara'd eyes sparkling like the dew I am one of that poxy crew, a sailor Sailor

The river of sin I'm falling right in I'm sinking down in the river of sin I'm sinking I'm sinking The river of sin I'm falling in Falling right back in the river of sin

Acorns growing up on a tree Green pastures but they're not for me Quiet river and it's all so wide Health and perfection on the other side

It's the river of sin (3x)

It's it's it's the river of sin

So relax and enjoy it all

Before you go before you fall

Noises noises in my ears

Too many wines and too many beers
