

The Son Shines Down On Me

Coyne, Kevin

VERSE1

Sometimes when I'm alone at night
My heart and mind are tuned just right
From out of somewhere comes a light
The Son shines down on me

VERSE2

Sometimes when I'm walking, no matter where
I can feel His presence just in the air
And I say goodbye to my worry and care
The Son shines down on me

CHORUS

The Son of God shines on me
I can feel Him he's real and warm
Oh what a comfort, it is to be
Safe in the shelter of His arms

VERSE3

Sometimes when I deserve Him least
When I have a need, and I'm down on my knees
Who's waiting there? The Prince of Peace
The Son shines down on me

CHORUS (repeat)

The Son of God shines on me
I can feel Him he's real and warm
Oh what a comfort, it is to be
Safe in the shelter of His arms

VERSE 4

And times when I think, that this is the end
Who's waiting there, to start me out again
None other than my God and my friend
The Son shines down on me
