

The Stride

Coyne, Kevin

Come on baby, there ain't much time
Join this dance on the party line
Let's stride, yeah, yeah, yeah, let's stride
Come on baby, there ain't much time, stride

Well, forget about the waltz and the ballet glide
Do a dance that's called the stride
Stride, yeah, yeah, yeah, let's stride
Come on baby, there ain't much time, stride

Well, this is a dance that all can do
Come on baby, do it too
Let's stride, yeah, yeah, yeah, let's stride
Come on baby, there ain't much time, let's stride

Stride on, yeah, oh yeah
Oh, I want you to stride for me now
Stride on, yeah

Well, come on, baby, there ain't much time
Get to this dance on the party line
And stride, yeah, yeah, yeah, let's stride
Well, come on baby, there ain't much time, let's stride

Well, I ask you, baby, one more time
Give me some relief for this soul of mine
Let's stride, yeah, yeah, yeah, let's stride
Yeah, well come on, baby, one more time, let's stride

Stride on, away we go
Oh yeah, oh that's good
