

## Ze-ze-ze-ze

Coyne, Kevin

Well, ze-ze-ze-ze-ze-ze-ze-ze-ze  
Baby, won't you tell me your name? Yeah  
Well, ze-ze-ze-ze-ze-ze-ze-ze-ze  
Baby, won't you tell me your name? Yeah  
I got a funny little feeling  
And it's going right to my brain

Ze-ze-ze-ze-ze-ze-ze-ze-ze  
There's a mountain on the top of my head, there is  
Ze-ze-ze-ze-ze-ze-ze-ze-ze  
There's a mountain on the top of my head, right  
I keep on wondering  
Sometimes I wish I was dead, it's true

Ze-ze-ze-ze-ze-ze-ze-ze-ze  
This pain is breaking me down, down and down  
Ze-ze-ze-ze-ze-ze-ze-ze-ze  
This pain is breaking me down  
I'm like an old scrapped vehicle  
Can't turn my wheels around, oh that's right

Well, ze-ze-ze-ze-ze-ze-ze-ze-ze, come on  
Oh, like a bee  
Oh, you strung me, baby  
Oh it's true, oh right through the heart

Ze-ze-ze-ze-ze-ze-ze-ze-ze  
Baby, won't you tell me your name?  
Oh, ze-ze-ze-ze-ze-ze-ze-ze-ze  
Baby, won't you tell me your name?  
You know this funny little feeling's  
Getting on top of my brain

Well, ze-ze-ze-ze-ze-ze-ze-ze-ze  
I'm gonna write a letter to you, oh yeah  
Ze-ze-ze-ze-ze-ze-ze-ze-ze  
I'm gonna write a letter to you  
Well, declaring my love  
And telling you I love you

Ze-ze-ze-ze-ze-ze-ze-ze-ze  
Hoping everything goes right  
Well, ze-ze-ze-ze-ze-ze-ze-ze-ze  
Hoping everything goes right  
Well, I fancy you around me everyday  
And every night and every night, oh yeah

Well, here comes that bee again  
Oh yeah, stinging me right through  
It's on top of my head  
Ze-ze-ze-ze-ze-ze-ze-ze-ze
