

I Didn't Understand

Kevin Devine

Thought you were looking for the next in line to love
To turn around and then ignore and put away
'Cause I know you'll soon believe me in alone
Like I'm supposed to be tonight, tomorrow, and every day

There's nothing here that you'll miss
I can guarantee you this
As a cloud of smoke
Trying to occupy space
What a fucking joke
What a fucking joke

I waited for a bus to separate the both of us
And take me all far away from you
'Cause my feelings never change a bit, I always feel like shit
I don't know why, I guess that I just do

You once talked to me about love
And you painted pictures of
A never, neverland
I could have gone to that place
But I didn't understand
I didn't understand
I didn't understand
